*Rejoinders,
please forgive me*

*I was only able
to protect Chiako
from the imperial court
with my death.*

*On the first night
after our marriage,
I heard from a secret messenger
that the domestic affairs official
was planning to kill Chiako.*

*At exactly that time Chiako returned
to the bedroom together with the
official of the domestic affairs.
The "betrayal of the princess" was
suitable material for the domestic
affairs official who aimed to take
Chiako's spot to kill Chiako
in all the confusion.*

*Rejoinders, with your help
I can handle
the assassination attempt,
but I have a mission to protect
Chiako's honor.*

RAJENDORA,

*My only regret is
that I couldn't say
"I love you" to him
for the second time.*

*Rajendran,
as far as my only wish,
someday—*

*After I die,
please help
Chickenderson
to find his
son and only
Ratan.*
